are roots and wings.*

## Who We Are:

Michael's Miracles is a 501 (c) 3 Non-profit founded in 2009 by Kim and Ed Buonocore. Each year we support newly diagnosed Type 1 Diabetic (T1D) families. We provide Comfort Bags to families that contain the basic tools they need to make the transition into their new lives of living with a T1D child. We also provide scholarships for children to attend Camp Nejeda. This camp provides a life changing opportunity for T1D kids. They make lifelong friends and learn to accept and manage all aspects of their chronic disease, all while having an amazing camp experience. Michael's Miracles also sends our Certified Diabetes Educator, Colleen Clark-Chuo, RN, CDE, into the schools and daycare centers to train the daily caregivers of T1D children. We are available to speak at local schools about Diabetes Awareness.
