HOW TO LIVE SCORE WITH THE GOLFSTATUS APP
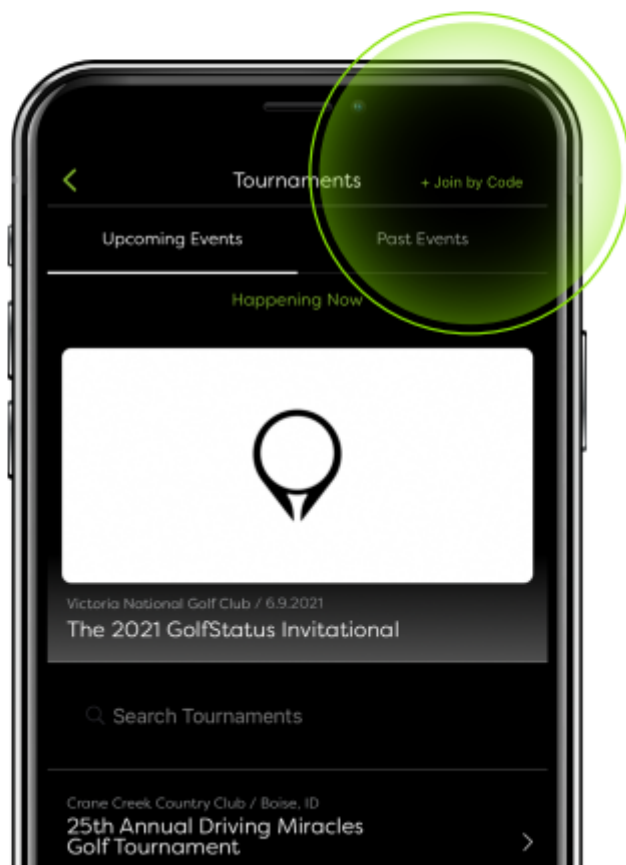

DOWNLOAD GOLFSTATUS

1. Search for GolfStatus in the App Store or Google Play store.
2. Download the free GolfStatus app.
3. Create an account.

FIND YOUR EVENT

1. On the app's home screen, tap Tournaments.
2. Tap + Join by Code.
3. Enter your live scoring code and tap Join.
4. Tap your name, then tap Replace or Sync.
5. Tap Play to start your round.

You're ready to keep score! It's a good idea to download the app and enter your code prior to arriving at the golf course. You'll save time and be ready to start your round.

LIVE SCORING HELPFUL HINTS

Utilize the app's accurate, efficient, hole-by-hole GPS directly from the scorecard.

View current tournament standings on the live leaderboards.

To submit your scorecard, tap Post Now from the menu options or swipe to hole 18 and tap the check mark.
